LOOKING FOR WORK

I am looking for a full time or part time position that I can use to support myself. I enjoy working with people in fast-paced environments, developing new skills, and continuously improving how I solve problems and support others effectively.

EXPERIENCE

October 2022 – Current

Team Member, Grill'd Kenmore

Working in a widely popular restaurant that has sold up to two-hundred burgers an hour, specializing in customer service, particularly at the register and on floor. Completed the Responsible Service of Alcohol certificate and have also completed the Certificate III in Hospitality

October 2024 – January 2025

Customer Solutions Specialist, Probe CX

Took incoming calls for Probe CX which is contracted by the ATO to provide guidance on tax returns, payments, refunds, and lodgements. Ensured the accuracy of taxpayer information to maintain compliance with ATO guidelines. Resolved issues such as incorrect details, delayed refunds, or difficulties accessing online ATO services.

REFERENCES

Tara Kassman

Team Leader, Grill'd Kenmore

Tara is a team leader at Grill'd, and is often my shift manager, meaning she is the one who ensures every team member at Grill'd meets customer and business expectations for safety. Tara is contactable at tarajane.kassman@gmail.com.

Michael Tyshing

Teacher, TAFE Queensland

Mr. Tyshing is the teacher that graded my final assessment for the certificate IV in cybersecurity, which covered a cooperative team-centred evaluation of an organization's incident response as well as the TryHackMe Red Team Capstone challenge. Mr. Tyshing is contactable at michael.teach.tafe@gmail.com.
